**Level UP** is an engaging general coursebook series which takes students through Levels **B1**, **B1+** and **B2**. It will prepare young students for **any B2 Level examination**.

Key features of **Level UP** are:

- ▶ a wide range of authentic **reading** texts from a variety of sources, covering interesting, level-appropriate topics
- ▶ **speaking** and **listening** activities that will develop students' abilities in these key areas and provide them with practice in B2 Level exam formats
- ▶ **writing** sections which help students to express themselves in English simply and correctly and covering the styles encountered in B2 Level examinations
- ▶ **comprehensive coverage of all grammatical phenomena** required at each level with ample practice
- ▶ challenging and stimulating **exercises to build up students' vocabulary and develop their general knowledge of the language**
- ▶ an emphasis on the most common exercises found in examinations at B2 Level

Every unit consists of **four sections: Reading, Speaking & Listening, Real World** and **Writing**. After every two units there is an **exam-style revision**.

At the end of the course, teachers will have seen how their students cope with the demands of different examinations. This will allow teachers to make a more informed decision about which examination individual students should sit for. Specific books and/or practice tests can then be used accordingly to prepare students for these examinations.
