BOOKS FOR ADULTS

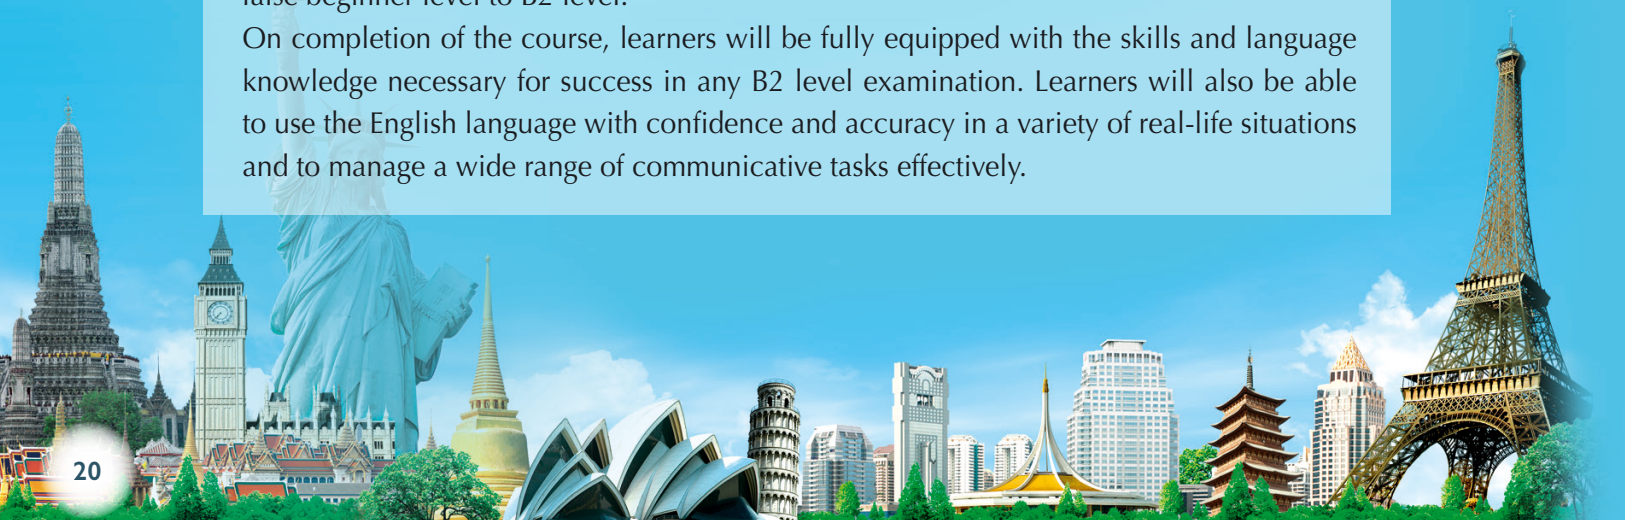

Choose one of our adult series according to your students' needs. ENGLISH FOR ADULTS prepares students for B2 exams while PRACTICAL ENGLISH FOR ADULTS gives them a thorough grounding in everyday English.

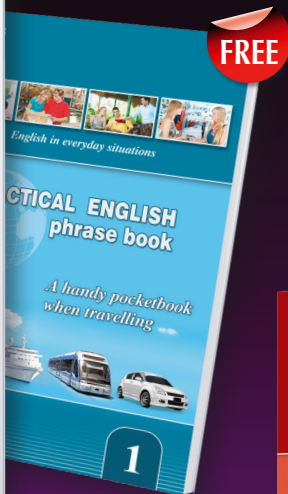

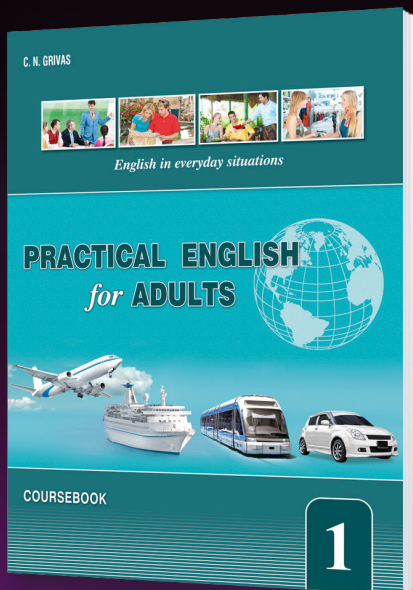

ENGLISH FOR ADULTS

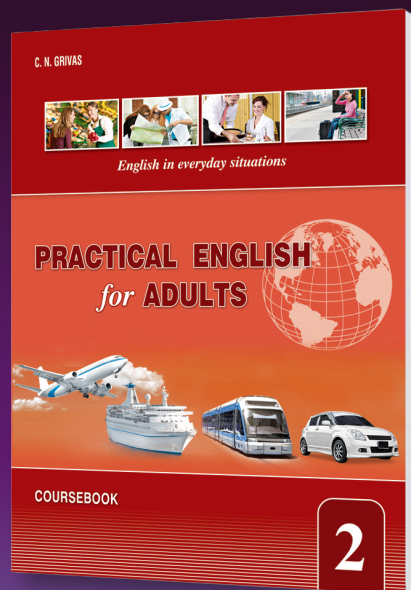

English for Adults is a three-level coursebook series designed to take adult learners from false beginner level to B2 level.

On completion of the course, learners will be fully equipped with the skills and language knowledge necessary for success in any B2 level examination. Learners will also be able to use the English language with confidence and accuracy in a variety of real-life situations and to manage a wide range of communicative tasks effectively.

PRACTICAL ENGLISH for ADULTS

This two-level coursebook series has been specially designed for adult learners with a basic knowledge of English. This course has a more communicative approach and focuses on developing speaking skills. Practical English for Adults will help adult learners increase their knowledge of the English language over a relatively short period of time. It is ideal for people who need to develop their English rapidly due to the needs of the workplace. It also improves English for those who need to travel abroad and also when using the Internet. A pocket-sized phrase book is included free with each coursebook – an invaluable aid when travelling abroad.

Each coursebook in the PRACTICAL ENGLISH FOR ADULTS series is accompanied by a **FREE** phrasebook which will be a valuable companion when 'travelling'. It includes conversations at airports, bus / train stations, hotels, shops, banks, etc.

Let's Speak Listen & Write

Let's Speak Listen & Write, for Classes A1 to B1+, aims to teach and develop speaking, listening, and writing skills, thereby providing students with the means to communicate effectively in English.

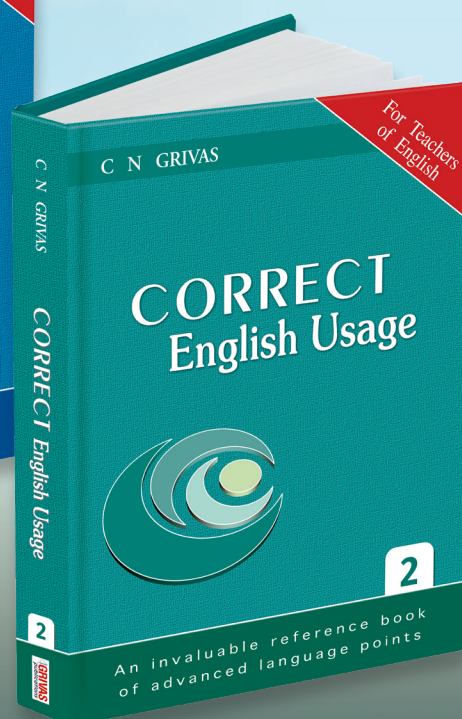

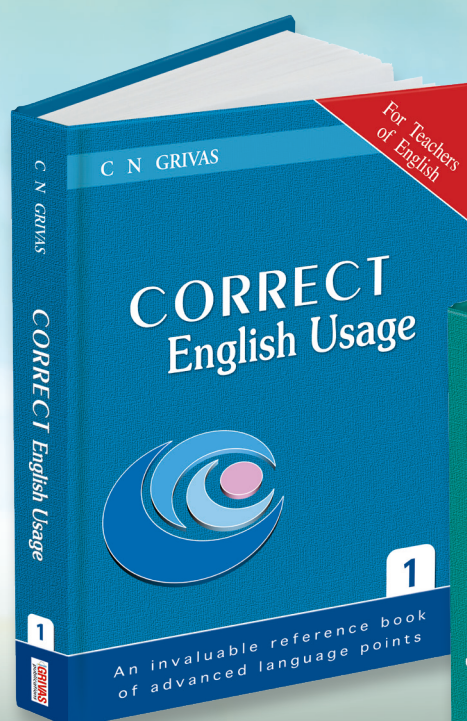

Each book has been carefully graded, and presents grammatical and lexical items appropriate to the level being taught. The writing task at the end of each unit enables students to put into practice the ideas, vocabulary, and structures learnt in the unit.

This series can be used in conjunction with any coursebook series, but can also be used on its own.

CORRECT English Usage

For
Teachers
of English

The most complete
reference book that all
teachers need and love!

Over 6,000 advanced grammatical, lexical
and structural items analysed in both volumes.

Correct English Usage 1 & 2 meet the long-neglected need for a contemporary usage guide written specifically for teachers of English, focusing on the doubts and uncertainties they encounter while teaching.

Language is constantly changing; what was unacceptable in the past may be in common usage today. This can present serious difficulties for teachers of English, particularly when they have little or no regular contact with native speakers.

Correct English Usage 1 & 2 provide teachers of English with practical up-to-date guidance on the patterns of usage in the English language. The two books contain a wealth of advanced language points of particular interest to the EFL teacher, compiled after exhaustive research of numerous authoritative sources and close consultation with native speakers. The language used is neither pedantic nor obscure, thus avoiding the confusing explanations so often found in grammar and reference books.

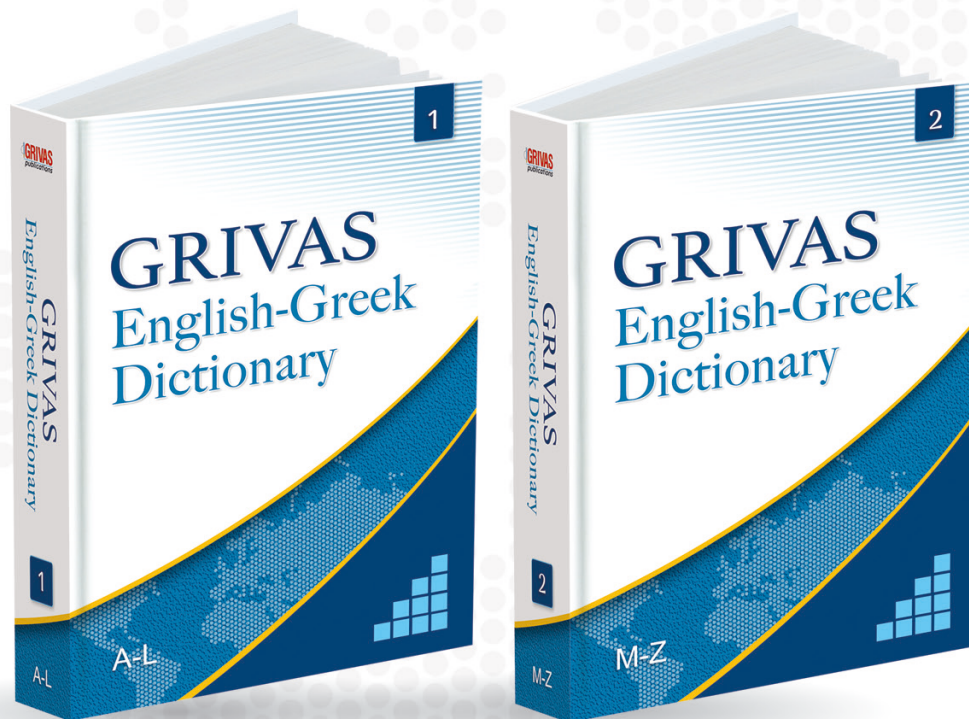

Special Features include:

- ▶ analysis of advanced language points.
- ▶ clarification of the meaning and use of confusing words and expressions.
- ▶ information on formal and informal usage, appropriateness and style.
- ▶ a careful selection of frequently mispronounced English words.
- ▶ differences in British and American English.
