TARGETING PROFICIENCY is a comprehensive coursebook that focuses on the acquisition and correct usage of the English language. The graded material steadily builds up students' language competency, making it the ideal coursebook for students wishing to advance to C1 / C2 level in English.

It provides thorough practice in all 4 skills – **reading, speaking, listening** and **writing** through a variety of topics explored in detail from interesting and thought-provoking angles.

Special **LANGUAGE AWARENESS** section in **every lesson**, containing a wealth of interesting advanced language points concerning the intricacies of the English language, as well as difficulties with pronunciation.

A **Resource Booklet** is provided for teachers. This booklet contains additional material to aid the teacher, including notes for the Language Awareness Sections, Oral Practice, Sample Answers and Listening Scripts.
